 MALE

## Professional Summary

I'm a BCA student with an intermediate understanding of HTML, CSS, and JavaScript. I enjoy building websites and learning new technologies to improve my skills. I'm also interested in photography and editing, which adds a creative touch to my work. Always eager to learn and take on new challenges.

## Education

Priyadarshini degree & Pg college - BCA (2022-10-03 - 2025-07-31)  
Kothagudem

I am currently pursuing my Bachelor of Computer Applications (BCA) at Priyadarshini Degree & PG College, Kothagudem, Telangana, affiliated with Kakatiya University. The college provides quality education with a focus on IT knowledge, supported by experienced faculty. It also collaborates with startup companies and organizes workshops on emerging IT trends, skill development, and industry insights. The college offers a conducive learning environment and career-oriented programs.
